

# 47 CHROMOSOMES. 18 HOLES. 1 MISSION.

Dear Friend of CDSPG:

We invite you to participate, as we host our 12th Annual Golf Tournament at Hunt Valley Golf Club on Monday, August 10, 2009. Your partnership with us will make an immediate, positive impact by helping individuals with Down Syndrome and supporting programs which help them reach their potential at every stage of life. **This year's sponsorship and participation levels are listed below.**

Your generous gifts to CDSPG will provide funding for many educational and social events throughout the year. Your support also helps us facilitate programs which influence the lives of families and individuals of all ages by offering encouragement, providing mentoring, promoting independence and increasing self-esteem.

With your help, we'll also be able to extend financial resources to community programs that educate, strengthen, mentor and advocate for people of all ages with developmental disabilities.

In kind sponsors are also needed to donate prizes for golfers and raffle winners. If you would like to help or volunteer, please register online at the address listed below. If you have questions, please contact me by phone or email. Thank you in advance for your support!

Sincerely,

Brian Pursel, Tournament Director

8214 Jeffers Circle, Towson MD 21204
